Lorraine Houle,
Founder

We honor the legacy of our founder, Lorraine Houle, through our commitment of continuing to serve others with the respect and dignity on which she built this organization since 1989.

Our Successes

In 2021, through your individual, generous donations and those of businesses like Theory Wellness, we have been able expand our services to include a mobile pantry, bringing food distribution out into our community.

Our Vision for Our Community

We strive to reduce the risk and effects that food insecurity has on families and individuals by investing in those we serve through collaboration with our community partners to educate and raise awareness.

We recognize the need for excellence through transparency, strong stewardship, strategic planning and effective development of a team of committed staff and volunteers.

Mission Statement

Lorraine's Soup Kitchen & Pantry, Inc. exists to be a resource of food security to the community by providing access with respect and dignity.
