**Our Founder**

*Lorraine Houle,  
 Founder*

We honor the legacy of our founder, Lorraine Houle, through our commitment of continuing to serve others with the respect and dignity on which she built this organization since 1982.

**Meeting the Needs**

Our pantry requests have experienced a significant surge in recent years, and our dinner guests have increased threefold. LSKP's ability to address food insecurity in our community is aided by fundraising events like the golf tournament.

**Our Vision for Our Community**

We strive to reduce the risk and effects that food insecurity has on families and individuals by investing in those we serve through collaboration with our community partners to educate and raise awareness.

We recognize the need for excellence through transparency, strong stewardship, strategic planning and effective development of a team of committed staff and volunteers.

**Mission Statement**

Lorraine's Soup Kitchen & Pantry, Inc. exists to be a resource of food security to the community by providing access with respect and dignity.
